NOTE: The requirements for each program specify the math course that a prospective student should have either completed or will be taking concurrently at their schools during the current academic year. Exceptions may be granted on a case-by-case basis pending the outcome of a qualifying exam. Please visit our website at www.AvidAcademy.com for detailed information regarding program descriptions, instructional approach, prerequisites, scheduling, class size, and locations.

Material Fees and Textbooks

The materials fee is \$35.00 per session. It covers the costs of classroom handouts, problem sets, license fees, and other instructional materials. Some of the programs may require textbooks. The costs of the textbook are not included in the tuition and materials fees.

New Student and Qualifying Exam

There is a one-time \$50.00 New Student Registration fee for students to enroll for the first time. New students are required to take a 30-minute qualifying exam. Please call us at info@AvidAcademy.com to schedule an appointment.

Missed Classes

Regular attendance is absolutely necessary to ensure continuity and progress. Students should not miss classes except for illness. **There will be no make-up classes or adjustments in tuition for occasional absences due to illness or other conflicts.**
