NOTE: The requirements for each program specify the math course that a prospective student should have either completed or will be taking concurrently at their schools during the current academic year. Exceptions may be granted on a case-by-case basis pending the outcome of a qualifying exam. Please visit our website at www.AvidAcademy.com for detailed information regarding program descriptions, instructional approach, prerequisites, scheduling, class size, and **location**.

Private Coaching

Specialized coaching in private, semi-private, or quartet settings are available upon request. Please email Dr.Li@AvidAcademy.com to discuss your needs.

Material Fees and Textbooks

The materials fee is \$30.00 per session. It covers the costs of classroom handouts, problem sets, and other instructional materials. Some of the programs may require textbooks. Textbook fees are not included on the registration form and will be billed separately. In most cases, one textbook will be used for all three sessions throughout the entire academic year.

New Student and Qualifying Exam

New students are required to take a 20-minute qualifying exam. There is a one-time \$50.00 New Student Registration fee. Qualifying exams are required for new students who would like to take math competition classes. Please call us at info@AvidAcademy.com to schedule an appointment.

Missed Classes

Regular attendance is absolutely necessary to ensure continuity and progress. Students should not miss classes except for illness. **There will be no make-up classes or adjustments in tuition for occasional absences due to illness or other conflicts.**
